Overview

Description: Knowing and understanding Hospice Quality Reporting is vital for positive Hospice patient outcomes as well as avoidance of potential negative financial impact. During the workshop we will discuss the evolution of Hospice Quality reporting, current and future Hospice Quality Reporting requirements, ways to make your Hospice Quality program more robust and ways to get buy-in from front line staff as well as leadership in the organization.

Who Should Attend: This workshop is designed for anyone who participates in the Hospice quality program which includes staff who are new to Quality, seasoned Quality staff, Quality Team members and Leadership.

This workshop will address:

- Review the evolution of Hospice Quality from voluntary to mandatory reporting
- Review the Hospice Quality Reporting requirements
- Discuss future trends and challenges of Hospice Quality Reporting
- Discuss agency-wide (from front-line staff to leader) ownership of the Quality Program
