Overview

This webinar will follow up on our previous course outlines the CARES Act. Additional information has been released on the programs within the CARES Act and new strings have been attached. We HIGHLY encourage you to attend so you are aware of the changes.

Topics to be covered:

PPP Program - Emir Hodzic, Shareholder, will provide an update on the ever-changing Payroll Protection Program (PPP). He will address the guidelines of the program, what loan forgiveness entails, and what changes have taken place within the last several weeks.

FCCRA - Deirdre Bird, Director of Human Resources Consulting, will provide an update on the Families First Coronavirus Act (FFCRA). She will address top issues confronting employers in light of the pandemic and provide insight into your organization's response to employees' pressing concerns.

CARES Act Issues - Dave Macke, Shareholder, Director of Healthcare Reimbursement Services, will provide an update on all of the CARES Act Provider Relief Funds and the issues surrounding each funding pool and what providers need to do to receive the funds. **There were definitely "strings attached"**. Once the providers receive the funds, there are significant reporting requirements to keep the funds and not have to repay the government.
