Overview

Get updated on the latest guidance on OASIS in this quarterly offering.

At the conclusion of this training, the participant will be able to:

- Apply the training and CMS guidance updates to correctly and accurately answer OASIS data items
- Maintain compliance with applicable federal regulations and guidance governing OASIS

Answer questions like this...

1. What if the pressure ulcer that was noted at the SOC, closes and then is reopen at discharge?
2. What if I ask someone to follow along with the wheelchair in case the patient becomes too tired during the assessment?
3. What if the patient requires more than minimal assistance with dressing? Does that mean an automatic response 3?
